

# MASTERTEMP® 125

## HIGH PERFORMANCE HEATER

### INTRODUCING THE HIGH-EFFICIENCY, HIGH-TECHNOLOGY HEATER FOR BODIES OF WATER UP TO 15,000 GALLONS

At a remarkably affordable price, the new MasterTemp 125 heater finally gives you the energy savings and advanced operating features that were only available from much larger heaters. With its revolutionary pre-mixed gas combustion technology, the MasterTemp 125 heater offers 82% thermal efficiency—the highest of any heater in its category. You'll love the convenience and simplicity of its digital display—the first ever offered on the market

today for its class. Plus, unlike other heaters, the MasterTemp 125 heater is so compact and lightweight, it makes for quick installation by your pool pro—and saved time means saved money. It's time to step up to the high-efficiency and advanced features that only the MasterTemp 125 heater can deliver!

### FEATURES INCLUDE

- 82% energy efficiency is highest in its class.
- High-performance, affordable heating with premium features.
